Dear Professor,

Greetings from UNIMAP!

The school of Mechatronic Engineering is organizing two parallel international conferences from 11th to 13th October 2009 at Bay view Beach Resort in Penang Malaysia.

Tutorial sessions are being planned for the first day of the conference, the 11th October 2009. Proposals for tutorials are solicited in the general areas of Man-machine Systems and Applications and Design in Mechanical Systems

We invite you to hold a tutorial session for this joint conference, if you are interested in holding a tutorial session please prepare a proposal.

Proposals to organize tutorials should include the following information

1. Name, address & contact information (include e-mail of proposer)
2. Title of tutorial
3. Comfortable class size
4. A one-page motivation and descriptions of tutorial contents

Proposals should be submitted by email before **April 30, 2009** to:

Co-General Chair 2: Prof. R. Nagarajan

School of Mechatronic Engineering
